

CRYSTAL GLOSSY SHINE WITH **3D GLOSS**

3D-Gloss is a super-glossy polish for vinyl, timber, and stone floors (avoid non-porous ceramic/porcelain without pre-test)!

LET'S TALK WHAT IS 3D GLOSS?

3D-Gloss is a fast-curing, high-gloss floor finish that seals and protects with a crystal-clear, durable film. Non-slip, water-based, and non-flammable, it responds brilliantly to UHS buffing for peak shine after just one or two passes, ideal for supermarkets and busy commercial floors while being safe on specified sealed surfaces.

3D Gloss 5L **3DG5**
3D Gloss 20L **3DG20**

KEY BENEFITS

**SUPER GLOSS
SPARKLE**

Achieve dazzling crystal shine on sealed floors

**SAFE GRIP
RESISTANCE**

Maintain safe grip with proven slip resistance

**SCRATCH
DURABILITY**

Resist wear longer with high scratch repair

**VERSATILE
BUFFING**

Buff easily with gas or electric machines

WHEN & HOW TO USE

Flood-rinse floor to remove the stripper and dirt. The floor must be well covered in clean water.

Mop up or wet-vac and allow to dry. If floor is vinyl, burnish floor then fringe mop to remove dust.

Do not burnish bare terrazzo or stone floors.
