

LOW FOAMING POWER WITH **AUTOSCRUB**

Autoscrub is a detergent for waxed/polished floors, walls, glass, and hard surfaces to remove dirt, spillages, food stains, smoke films, grease, and grime!

LET'S TALK WHAT IS AUTOSCRUB?

Autoscrub is a low-foaming detergent packed with grease-cutting agents for industrial, institutional, and household cleaning of sealed floors and hard surfaces. Biodegradable and non-caustic, it lifts dirt without redepositing, requires no rinsing, and is safe for alkali-sensitive finishes like those coated with Agar sealers, extending polish life.
