WHEN & HOW TO USE

For general cleaning of floors, walls, glass etc. Dilute to 1 in 50 to 1 in 100 with water, depending on soilage. This is about 2/3 cup per wringer bucket of water.

For treating offensive, putrid odours, remove source of odour and rinse or mop with a 1 in 20 solution of BREEZE in water.

Do not rinse. For extreme odours, neat BREEZE may be applied.
