

CONCRETE REMOVAL POWER WITH **CM-X**

CM-X is a descaler for concrete mixing trucks, machinery, trowels, floats, plastics, paintwork, ceramic tiles, slate, terracotta, brickwork (avoid zinc, aluminum, marble, terrazzo)!

LET'S TALK WHAT IS CM-X?

CM-X is a low-odour, organic-salt-based remover that dissolves concrete, grout, rust, lime scale, and mortar from hard surfaces without strong fumes. Biodegradable and non-flammable, it has detergent action for oily areas, making it ideal for heavy build-ups while being milder than hydrochloric acid.

CMX 5L **CMX5**
CMX 20L **CMX20**
CMX 200L **CMX200**

KEY BENEFITS

**LOW ODOUR
SAFETY**

Provide practically non-fuming formula for safer use

**DISSOLVING
EFFICIENCY**

Dissolve concrete and lime scale rapidly

**RUST SCALE
REMOVER**

Remove rust and hard-water scale effectively

**VERSATILE
ACTION**

Work on oily surfaces with cleaning power

WHEN & HOW TO USE

Always pre-test CM-X on the surface before use to ensure it is compatible.

For regular manual cleaning of splashes and dust, dilute to 1 in 5 to 10 with water. For heavy deposits, dilute to 1 in 4 with water.

For efflorescence/rust: Dilute 1:4, agitate, rinse (repeat for build-ups). Pre-test surfaces; wear PPE; never mix with bleach.
