

ANTI-BACTERIAL SANITISING WITH **COOL TIDE**

Cool Tide is a thick hand sanitiser for killing germs on skin without water, ideal for after toilet use, before eating, or in public spaces!

LET'S TALK

WHAT IS COOL TIDE?

Cool Tide is a rinse-free, anti-bacterial hand sanitiser containing 73% v/v ethyl alcohol to safely reduce germs and prevent illness. Thick and non-sticky, it leaves hands soft with glycerine and wheatgerm oil, biodegradable and phosphate-free for eco-friendly hygiene when soap/water aren't available.

Cool Tide 500ml **COOS**
Cool Tide 5L **COOS**

KEY BENEFITS

QUICK APPLICATION

Apply and rub in without needing water

GERM-KILLING PROTECTION

Kill transient germs to prevent illness effectively

SOFT SKIN REFRESHED

Leave hands soft and refreshed after sanitising

RINSE-FREE NON-STICKY

Provide non-sticky finish with no rinsing required

WHEN & HOW TO USE

Wet the hands with about ½ teaspoon of COOL TIDE, then rub the hands together vigorously until they are dry.

If the hands are visibly dirty, use soap and water to clean them first.

Children should be supervised by an adult when using COOL TIDE.
