

REFRESH WASHROOMS WITH **COUNTRY GARDEN**

Primarily for toilet cubicles and washrooms, COUNTRY GARDEN may also be used in waste and garbage holding or disposal areas to mask undesirable odours. COUNTRY GARDEN may even be used after cleaning to let your customers know you've been and that their home or office is clean and fresh.

LET'S TALK WHAT IS COUNTRY GARDEN?

Country Garden is a fluorescent pink, floral-perfumed air-freshener concentrate that provides lasting honeysuckle/rose fragrance to mask odours in ventilated/poorly-ventilated spaces. Biodegradable and non-phosphate, it outlasts conventional reodorants, leaves lingering scent for hours/days, and is ideal for toilets, waste bins, chutes, dumpsters while being spirit-based and recyclable.
