

ULTIMATE STRIPPING POWER WITH **DEMOLISH**

Demolish is a concentrated stripper for terrazzo, marble, granite, polished concrete, vinyl, and sealed floors (avoid linoleum or permanent sealers)!

LET'S TALK WHAT IS DEMOLISH?

Demolish is a super-concentrated, low-foaming floor stripper that blasts through old, built-up, and stubborn polishes for easy rinsing and re-coating preparation. Low-odour and biodegradable, it's safe on various surfaces, dilutes easily in cold water, and minimizes machining needs for faster stripping.

Demolish 5L **DEM5**
Demolish 20L **DEM20**

KEY BENEFITS

POWERFUL STRIPPING

Rip through toughest polishes with ultimate strength

SAFE SURFACE

Use safely on terrazzo, marble, and vinyl floors

ECONOMICAL CONCENTRATION

Dilute further for cost-effective stripping solutions

ONE PASS APPLICATION

Remove sealers thoroughly in just one pass

WHEN & HOW TO USE

Mop the DEMOLISH solution over the floor and allow 5-10 minutes for it to break down the film and re-disperse the old polish.

Keep the floor wet with solution – don't let it dry out.

Scrub floor with a black pad (or other stripping pad) under a slow machine. Mop up or wet-vac slurry when stripping is complete. Rinse floor 3 times with a large volume of clean water.
