

# HIGH POWERED WASHING POWDER WITH **FLAIR**

FLAIR is a detergent for industrial and domestic use and can be used to wash cottons, coloureds, whites, synthetics and blends in laundry washing machines. It is suitable for both top-loaders and front-loaders.

## LET'S TALK WHAT IS FLAIR?

Flair is a powerful, enzyme-rich laundry powder that cleans, brightens, and freshens with a pleasant scent. Biodegradable, phosphate-free, and low-foaming, it works in hot or cold water, removes tough stains like grass and proteins, and dissolves easily—ideal for domestic and industrial machines while being safe on colourfast fabrics.

FLAIR 5KG **FLA5**  
FLAIR 15KG **FLA15**  
FLAIR 25KG **FLA25**

## KEY BENEFITS

**STAIN BUSTING  
POWER**

Remove spot stains with enzymes quickly

**TOP & FRONT  
LOADERS**

Great for top and front loading machines

**BRIGHTER  
CLEAN**

Make clothes cleaner and brighter effectively

**NO ADDED  
PHOSPHATES**

Biodegradable with no added phosphates

## WHEN & HOW TO USE

Use **COLD** water for bleeding colours, pleated garments, blood or chocolate stains.

Use **WARM** water for nylons, polyesters, acrylics, permanent press and colourfast colours.

Use **HOT** water for cottons (white and pastels), heavily soiled or oily clothes.

Please see PDS for more application instructions.
