

ODOUR NEUTRALISING POWER WITH **FRESHHAIRE**

Freshaire is a strong deodoriser for hard surfaces, carpets, clothing, furnishings, upholstery, soiled linen, napkins, urine, vomit, garbage, bedpans, and problem areas!

LET'S TALK WHAT IS FRESHHAIRE?

Freshaire is a strong deodoriser with four-way action to neutralize odours by removing soils, killing bacteria, reodorising with perfume, and attacking odour molecules. Biodegradable and non-flammable, it's ideal for hospitals, nursing homes, laundries, toilets, garbage chutes, kennels, and animal pens, leaving a pleasant lingering scent.

Freshaire 5L **FR15**

KEY BENEFITS

MULTI-ACTION **POWER**

Attack and neutralize odours with four-way formula

REODORISE **AIR**

Purfumed to reodorise the air

ANTI BACTERIAL **SAFETY**

Remove bacteria to control odour problems effectively

FRAGRANCE **BOOST**

Leave pleasant reodorant perfume that lingers

WHEN & HOW TO USE

For general deodorising in hospitals, nursing homes and laundries dilute to 1 in 30 parts with water and spray on sources of odour, such as soiled linen, napkins, urine, vomit, decomposing food, garbage, etc. after removing the bulk of the soilage. Bedpans may be sprayed before and after use.

In the laundry, FRESHHAIRE may be used as a pre-soaker at the rate of 10ml per 10kg of dry-weight laundry.
