

HEAVY-DUTY ALKALINE DETERGENT WITH **LAUNDRY BREAK**

Laundry Break is a heavy-duty alkaline detergent for automatic laundry feed systems (avoid woollens/silks)!

LET'S TALK WHAT IS LAUNDRY BREAK?

Laundry Break is a concentrated, odourless alkaline detergent that breaks down proteins, fats, and soils in industrial laundry machines. Biodegradable and non-flammable, it emulsifies and suspends residues for cleaner/brighter washes, works as a builder-adjunct with Laundry Detergent/Brightener, and is ideal for commercial/institutional laundries with hard water while being safe on cottons/synthetics.

LAUNDRY BREAK 5L LAUBKS

KEY BENEFITS

EFFECTIVE CLEANING

Provides highly effective cleaning on tough industrial loads

BIODEGRADABLE FORMULA

Biodegradable formula ensures safe wash cycles

GENTLE ON HANDS

Gentle enough to be used throughout the day

KILLS GERMS

Eliminate bacteria with effective cleansing power

WHEN & HOW TO USE

LAUNDRY BREAK is designed to be dispensed by the Agar Laundry Liquid Automatic Feed System. This electronic equipment utilises pumps which are activated by the washing machine at appropriate points in the wash cycle. This system is safe because it does away with manual handling of chemicals, and economical because the correct quantity is measured out every time.
