

RUST & BLOOD STAIN REMOVER WITH **RUSTEX**

RUSTEX can be used safely on all surfaces not harmed by acids including carpets, windows, stainless steel and vinyl floors. NOT SAFE FOR USE on marble, terrazzo, aluminium, copper and brass. Always test product in an inconspicuous area first.

LET'S TALK WHAT IS RUSTEX?

Rustex is a colourless acid treatment that dissolves iron hydroxide in rust stains, enabling rinse-removal from hard surfaces and fabrics. Non-flammable and recyclable, it also treats blood stains (prevents re-appearance), removes insoluble calcium salts/hard water scale from glass, and is ideal for professional cleaners, hotels, homes while being test-required on inconspicuous areas.

Rustex 250ml **RU250**
Rustex 500ml **RU500**

KEY BENEFITS

RUST REMOVAL
FLEXIBILITY

Removes rust from a variety of surfaces including stainless steel and vinyl floors

SURFACE
SHINE

Makes rusty surfaces shine like new again after simple rinse and dry

EFFECTIVE ON
BLOOD STAINS

Effectively treats blood stains on fabrics dissolving iron to prevent re-appearance

SCALE DEPOSIT
CLEANING

Dissolves insoluble calcium salts and hard water scale from glass windows for clear results

WHEN & HOW TO USE

Carpet, Rugs and Fabrics:
Apply RUSTEX carefully to the stain by wetting a cloth with RUSTEX and then dabbing the product onto the stain. Allow time for it to dissolve the stain then blot with a towel or tissues. Rinse the treated area thoroughly to remove all traces of the dissolved iron, but do not flood or over-wet the carpet backing.

Please see PDS for further application instructions.
