

NEVER STORE CHEMICALS IN FOOD OR DRINK CONTAINERS

LABEL DECANTED CHEMICALS CORRECTLY

Unlabelled or wrongly labelled containers can cause serious harm.

NEVER DO THIS

Do not use drink bottles, food jars or sauce containers.

Do not leave chemicals in unlabelled containers.

Do not assume others know what is inside.

Do not use damaged or unsuitable containers.

DO THIS INSTEAD

Use a suitable container only where permitted.

Label the container clearly and immediately.

Keep the product name visible.

Follow the school's procedure and SDS.

WHY IT MATTERS

Prevents accidental poisoning.

Helps emergency response.

Supports safe handling and storage.
