

EYEWASH STATION & EMERGENCY SHOWER

LOCATION AND IMMEDIATE USE

Use where the school's risk controls require emergency eyewash or shower access.

EYEWASH LOCATION: _____

EMERGENCY SHOWER LOCATION: _____

RESPONSIBLE PERSON / CONTACT: _____

IF CHEMICALS CONTACT THE EYES

1. Go immediately to the eyewash station.

2. Flush gently with water.

3. Remove contact lenses if easy and safe.

4. Continue flushing and seek first aid / medical help.

IF CHEMICALS CONTACT THE BODY

1. Use the emergency shower if required.

2. Remove contaminated clothing carefully.

3. Flush the affected area with water.

4. Seek first aid and follow the SDS.

ALWAYS REMEMBER

Report the incident.

Keep access clear.

Check the SDS for first aid instructions.

Call 000 for an emergency.
